The Role of Regulation in the European Digital Music Ecosystem

Fair MusE Policy Workshop

Join us to discover and understand EU law's impact on music rights alongside Fair MusE researchers and industry experts in a series of insightful panels and discussions about the European music industry.

Main themes:

- Fairness for Music Creators under EU Law
- Impact of Social Media's Copyright Liability on Creators' Remuneration
- Digital Music Licensing and the Challenges of Collective Rights Management
- Impact of Competition Law and Platform Regulation on the Music Ecosystem
