

Platforms, Businesses, and Professionals in the Music Industry

Fair MusE Economics and Business Workshop

Join us for an engaging workshop that will uncover key findings from our comprehensive research in the Fair MusE project! Centered on the theme of 'Platforms, Businesses, and Professionals in the Music Industry,' this workshop will provide valuable insights into the evolving dynamics of the music industry, examine perceptions among key European music professionals, and explore the innovative business models that shape the sector's future.

Main themes:

- ◆ From Recorded Music Value Networks to the Broader Music Ecosystem
- ◆ Music Industry Perspectives on Fairness in Europe
- ◆ Innovative Business Models in and Around Music Platforms
